

Licensed Clinical Psychologist Supervisor

The Institute for Multicultural Counseling & Education Services (IMCES) as a community clinic provides direct service to underserved target population in our community, and workforce development for clinical training programs to new and emerging professionals.

APA accredited clinical training programs:

- Pre-Doctoral Internship
- Postdoctoral Residency

Job description

The Institute for Multicultural Counseling and Education Services, Inc. (IMCES) has an immediate opening for Licensed Psychologists to provide clinical supervision (part-time or full-time). Oversees and monitors psychology interns on all direct and indirect services and treatment aspects.

Duties include but are not limited to the following:

- Provide individual supervision for clinical team members.
- Work closely with the executive committee to scale and grow new long-term strategic plans.
- Assist with the HR lead in the recruitment, hiring, training, supervision, and evaluation of the clinical and administrative mental health team.
- As needed, provide feedback on performance evaluations, disciplinary actions, staff schedules, timekeeping, and other areas.
- Facilitate compliance with required supervision-related forms.

Qualifications:

- Registered with the CA BBS / California Board of Behavioral Sciences Licensed in the state of California.
- Knowledge and ability to provide clinical supervision for APA-accredited doctoral and postdoctoral clinical training programs.
- Certification of any EBP (preferred).

- Knowledge of community clinic model of service delivery.
- Excellent communication skills (written, verbal, and electronic records).

For additional information about IMCES, please visit our website at <https://www.imces.org/>.

Compensation:

- Excellent salary commensurate with experience and benefits including:
- PTO (paid time off personal & professional) 20 days
- Holidays (11 days)
- Retirement 403(b) (based on plan eligibility)
- Member of Training Faculty
- Free EBP Training (cost up to \$8,000)
- Free CE Workshop training

Salary: \$100,000.00 - \$140,000.00 per year
