

Administration or Professional Service Endorsement Survey

Provide responses to the following criteria for fellow applicant

Administration or Professional Service Criteria

Outstanding contributions in administration or professional service involves leadership activities in the development and successful implementation of organizations, professional groups and activities that have made outstanding contributions to community research and action at the local, state, regional, national or international level.

Outstanding contributions in the following areas should be documented on the nomination forms: creative leadership and administration of organizations that have a significant impact on promoting social action, editor or founder of a quality journal or book series, leadership and initiative that contributes to the growth and recognition of community research and action nationally, outstanding service on federal advisory or review committees; major participation in scholarly reviewing activities; exceptional service to SCRA and related organizations.

Some achievements while significant are not in and of themselves considered to be outstanding. These include: Department chair for a lengthy period of time; director of a large agency or significant agency; lengthy service as an editor or associate editor of a journal or multiple journals; President or officer of an APA division, local, state or national organization; or recipient of an award by another group.
